Watercraft Liability:

Watercraft Liability Insurance (WLI) Policies **must clearly state** Watercraft Liability Insurance (WLI) and show a **start and ending date for the coverage**, not an undefined code. A problem exists when the WLI coverage is part of a Homeowner Policy. If the boat owner is in doubt have the insurance agent prepare a memo to the Tournament Committee stating the Policy Number, Amount of Watercraft Liability coverage, and the start and ending date of the coverage.

The amount of WLI coverage required is \$300,000.00. An alternative to the \$300,000.00 coverage is if the boat owner has a one million dollar minimum “UMBRELLA” Liability Policy then she/he is only required to have \$100,000 WLI policy coverage.

The Policy MUST state WATERCRAFT LIABILITY. If this is a rider on the Homeowner’s policy it may only list the code, HO-75 and the coverage amount. General Liability coverage is NOT sufficient on a Homeowner’s policy as several companies deny this coverage applies to watercraft. Second, the Specification page must show a beginning and ending date. Comments such as “Continuous Coverage”, “Non-Expiring”, ETC are not legally sufficient!!

If you have an insurance question, contact GBN support before arriving at the tournament site, at the following email address: gbnadult_support@georgiabassnation.com or on GBN website under Adult/College -> Support

DURING THE OFFICIAL PRACTICE AND COMPETITION DAYS OF ANY GBN TOURNAMENT, NO COMPETITOR MAY OPERATE A BOAT UNLESS THAT COMPETITOR HAS DOCUMENTED PROOF OF A MINIMUM OF \$300,000.00 BOATING LIABILITY INSURANCE COVERING THE BOAT BEING USED IN THE TOURNAMENT. PROOF OF INSURANCE MUST BE WITH THE BOAT BEING USED AND MUST COVER THE COMPETITOR USING THAT BOAT. RANDOM CHECKS WILL BE CONDUCTED AND ANY COMPETITOR WHO DOES NOT HAVE PROOF OF IN-FORCE INSURANCE WITH \$300,000.00 COVERAGE WILL BE DISQUALIFIED.

- h. GBN reserves the right to impose speed limits during any or all tournaments. Whether or not to impose a speed limit, the area covered by the speed limit, and/or the actual speed limit imposed, shall be left exclusively to the discretion of the Tournament Director.

reviewed by the Tournament Director. Any disqualification, suspension from, or other disciplinary action regarding any tournament or fishing organization, shall be grounds for rejecting any application for participation in a GBN tournament, and/or disqualification from a GBN tournament, after circumstances are reviewed by the Tournament Director.

6) Tackle and equipment:

- a. Multiple lure rigs (UMBRELLA RIGS) are allowed if it follows state fishing regulations. Only artificial or biodegradable artificial lures may be attached to the line. One lure is defined as a single manmade device designed to attract and/or catch one fish at a time. Adding trailer hooks, plastic trailers, blades etc., to a single lure is acceptable. If multiple fish are caught on a single manmade lure, on a single cast, all fish are considered legal and may be added to the daily catch subject to scoring rules.
- b. No “live bait,” “dead bait,” or “prepared bait” will be permitted during official practice and competition, except for pork strips or rinds. Such rigging, harness, or device cannot be added to a single lure as described above. Traditional twin arm spinnerbaits or buzzbaits are allowed. Trailer hooks and plastic trailers must be on the main hook of the bait; only spinner blades can be affixed to the arms. The head on the main stem may be hinged. On these spinnerbaits or buzzbaits, no more than two wires, with a maximum length of 6 inches, may extend off the main arm or body of the lure. The “head and hook” portion of the lure must trail behind the blade or blades. GBN officials have the sole authority to determine whether a lure is considered a single lure as defined above.
- c. Only ONE casting, spin casting or spinning rod (10-foot maximum length from butt of handle to rod tip) and reel may be used at any one time. A hung or snagged lure that is not in or on the water is not considered in use and may be set aside while another is in use. Other rigs as specified above may be in the boat ready for use; however, only ONE is permitted is use at any given time.
 - i. If a competitor breaks his line while setting the hook or retrieving a fish, he is allowed to try with the rod being used or with his hands to secure the visible line and land the fish for it to be counted as legal. He may NOT hook the line with another lure, rod and reel, or other device. Anyone guilty of snatching or snagging visible fish will have their catch disqualified.
- d. When visually fishing for bedding bass, to be counted as a legal fish, all bass must be hooked inside the mouth and must be verified by your partner before being unhooked. With the mouth closed naturally, you must not be able to see where the hook point enters the fish to be considered hooked inside the mouth. Competitors are allowed to always share baits and tackle with one another, including Competitors who have been cut from competition.

7) Horsepower Regulations:

- a. Maximum horsepower for all outboard motorboats used in official tournament practice and in tournament competition will be 250 HP. Horsepower cannot exceed the limitations set by the U.S. Coast Guard. When required, each boat must have a U.S. Coast Guard horsepower-rating plate attached to the boat by the manufacturer. The horsepower of the outboard engine must NOT exceed the rating specified on this plate nor the horsepower maximum set by GBN. Each

2021 GEORGIA B.A.S.S. NATION STATE CLASSIC

competitor agrees to submit, by their signature on the official entry form, the boat and outboard motor used in the tournament, to an inspection by factory-trained personnel, if there is reason to suspect the horsepower is more than the rating. Normal maintenance of engines is allowed. Changing or altering standard factory parts of a competitor's engine to increase the horsepower over the factory horsepower rating, is forbidden and will result in disqualification. Falsifying information on entry forms or altering the horsepower-rating numbers on the engine, is also cause for immediate disqualification from GBN tournaments. Posted speed limits and those imposed by GBN must be observed and all boats must be operated in a safe manner. Violations of speed limits shall result in loss of competition hours and not limited to disqualification.

8) Boat and Motor:

- a. These restrictions apply during official practice and competition. For the safety of all competitors, all boats must be equipped with an approved type of operable ignition kill switch and lanyard. Only one manufactured lanyard may be used, and it must be attached to the driver's body any time the combustion engine is operation and in gear. Any time the combustion engine is operating and in gear there must be a driver in the driver's seat in full control of the boat.
- b. Fishing boats that are 16 feet or more in length may be used. Any raised platforms or decks cannot be higher than the gunnels of the boat.
- c. Standing on the outboard or seats while fishing, is not allowed. An electric trolling motor may be used for slow maneuvering. However, trolling with outboard motor as a method of fishing is prohibited. "Strolling" or "long line technique" are NOT ALLOWED. No exceptions.
- d. All bladder tanks, and any other type of auxiliary gas tanks that are not installed by the boat manufacturer, are prohibited. Additional gas tanks that are factory options, installed by a manufacturer's authorized dealer, are permitted. Boats that do not have factory-installed gas tanks are restricted to a maximum of 18 gallons of gasoline, in tanks that meet U.S. Coast Guard regulations. Gas tanks must be properly secured or strapped in a boat. No portable gas tanks, or containers capable of holding gasoline, can be placed anywhere on the tournament waters or shoreline for use by any tournament competitor.
- e. No "barges" or similar craft will be permitted. Boat(s) equipped with "stick steering" are NOT permitted. "Stick steering" shall be as defined by the Tournament Director. Jet drive engines and tunnel hull boats are NOT permitted during both official practice and competition. Any boat/hull designs other than standard mass-produced units are only allowed at the discretion of tournament officials.

9) Basic Boat Equipment:

- a. During official practice and competition, every boat must have all required Coast Guard safety equipment, i.e., lights bow & stern, life jackets, & kill switch, functional bilge pump and adhere to the Coast Guard regulations, GDNR – Boating Rules and Regulations <https://gadnrle.org/boating-rules-regulations> and GDNR - Required Equipment Checklist <https://gadnrle.org/required-equipment>. During official competition, every boat must have live-well space, properly aerated, to adequately maintain alive, a limit catch(s) of bass by both competitors using the boat. GBN, recommends live wells be maintained at full level and

aerators/re-circulators on manual. Tournament officials shall have the sole responsibility for determining whether aeration and capacity is proper and adequate. Designated boater/competitors must make a back seat available for co-anglers each competition day. This is an ADA requirement and the right thing to do. Exceptions may be granted in advance only by the Tournament Director. The boater will provide one large empty compartment for the use of the non-boater.

10. Boat Identification and inspection:

- a. Prior to each day's start of competition, each boat is required to pass an inspection/safety check by a tournament official(s). Requirements include but are not limited to, items in Section 9a: Basic Boat Equipment. Each day, each boat will be given a number (method determined by GBN Tournament staff), which must remain with the boat. This number must be displayed upon the request of tournament officials, and returned at each day's official check-in.

11. Boat Operation and Expense:

- a. During competition, boaters will fish from the front deck, co-anglers from the rear deck, NO EXCEPTIONS. During both practice and competition, Co-anglers are only allowed to drive (outboard engine) the boat in emergency situations except for loading and unloading from trailers. During official practice, co-anglers not practicing with a registered boater/competitor, may practice, drive, and fish from the front deck of the boat. Any boater/competitor that, in the judgment of the officials, operates the boat in such a manner as to unfairly handicap their co-angler partner, shall be disqualified. At no time may a boater/competitor request that the co-angler/competitor not fish. The cost of gas and oil for the competition days must be settled within your own clubs. In view of the large expense involved in operating and maintaining a tournament bass boat, it is suggested that the co-angler expense be a minimum \$40.00 per day. In GBN events where observers replace co-anglers as the official rider, observers cannot assist the boater/competitor in any way. Observers are not required to help with gas and oil expenses.

12. Permitted Fishing Locations:

- a. Tournament waters shall be established by the Tournament Director for each tournament. Each competitor must obtain this information from the GBN Tournament Department. Any water within these boundaries posted "Off-Limits" or "No Fishing" by state or federal agencies as well as the live-bass release area established by the Tournament Director will be OFF-LIMITS and will be announced at the Tournament Briefing. Only that water open to ALL public fishing will be considered tournament waters. Waters deemed off limits by authorities or tournament officials should be treated like a wall. No boats or casting behind that boundary while fishing. All angling must be done from the boat.
- b. Competitors wishing to change fish habitat by placing any object in the tournament waters may do so if such action does not violate state or federal regulations. Prior to the tournament registration, any questionable areas must be brought to the attention of tournament officials to be considered tournament waters and may be announced in the briefing for all to hear unless determined otherwise by tournament officials. Tournament officials reserve the right to restrict or enhance tournament waters based on conversations with local authorities.

13. Competitors must remain in the boat:

2021 GEORGIA B.A.S.S. NATION STATE CLASSIC

Clarks Hill Lake || Wildwood Pk.

October 29-30, 2021

- a. During the competition days, competitors must not depart the boat to land fish or to make the boat more accessible to fishing waters. Boats must remain in tournament waters during tournament days. Competitors must leave from and return to official checkpoints by boat. Both competitors must always remain in the boat, except in case of dire emergency, or with permission from the Tournament Director. Exceptions spelled out in rule 5(i). In such an emergency, or with permission from the Tournament Director, competitors may be removed from their boat, either to a boat operated by other competitors, or a rescue boat designated by the Tournament Director. Partners must always remain together, in sight of each other and each other's catch, under the conditions cited above, for their catch of that day to be scored in the tournament. In the event of a needed restroom break or refueling situation at a marina gas pump, contestants are allowed to leave the boat, at which time all fishing must cease until partners are back together in the boat. If a competitor violates any of the above conditions (to contact a tournament official by phone or other means, or to report an emergency or breakdown), both competitors must cease fishing at this point and their catch must be verified by a tournament official to be counted in the tournament. If, after the emergency is resolved by tournament officials, and enough time is left for the competitors to resume fishing, a restart will be allowed, the competitors will continue, and their catch will be counted. This applies only to dire emergency situations as determined by the Tournament Director or his/her designee. Towing boats on trailers during tournament hours is prohibited, except by the direction of tournament officials.
- b. Competitors are allowed to leave the boat to retrieve a lure. All fishing by that competitor must cease until back in the boat before making another cast.

14. Official Checkpoints:

- a. There shall be only one official check point for check-out in the morning, and one official check-in point in the afternoon, which points shall be designated at the tournament briefing. Failure to go through boat check and check-out in the morning or failure to check-in at the check-in point in the afternoon may result in disqualification.
- b. At the time of check-out, all competitors and their boats shall be in full conformity with all rules set forth by the Tournament Director.
- c. At check-in, all boats shall identify themselves by means of the numbers described in Rule 11 and proceed immediately to the designated weigh-in area. Partners must stay together, through the weigh-in process if both are weighing bass. Once bass are bagged for weigh-in, anglers that are not weighing bass do not need to accompany their partner through the weigh-in process.

15. Scoring:

- a. Tournament standings, contingency awards and final winners shall be determined by the pound-and ounce weight of each competitor's catch during the competition days of the tournament. Only Largemouth, Smallmouth, Spotted, Redeye or Shoal bass will be weighed.
- b. The Boater's limit shall be 5, and the Co-angler's limit shall be 3 of the above species and varieties per day, unless otherwise specified by tournament officials (example – hot weather/fish care concerns). At no time shall a competitor have in his or her possession more than the tournament limit. If a competitor determines they have over the limit they must

Clarks Hill Lake || Wildwood Pk.

immediately reduce his catch to the tournament limit with a live bass of their choice from their catch. Each returned bass will result in a 2-pound penalty to be deducted from their daily score. In this case, competitors must attempt to notify tournament officials and if unsuccessful must notify officials at check in.

- c. Once a competitor checks in, they must present all legal bass to tournament officials at the verification table. If competitors at the verification table have more than the tournament limit, the competitor will reduce with live bass to the tournament limit and each returned bass will result in a 2-pound penalty to be deducted from their daily score. If a competitor has his fish verified, weighed and upon returning to the boat discovers additional fish over the tournament limit that were not presented to officials; he then must notify tournament officials within one hour of final flight check in to receive a 2 lb. penalty for each bass discovered.
- d. The official length for bass shall be determined by the Tournament Director and announced at the Tournament Briefing. In most cases it will be the longest state limit covering the tournament waters. Only bass as described above which measure the official length or more on the longest straight line, shall be weighed. Bass presented for weigh-in, which fail to measure the official length, shall result in a penalty of 1 pound for each such bass, which penalty shall be deducted from the total score of the competitor.
- e. Any bass that appears to have been mangled, mashed, mauled, or otherwise altered will be weighed and credited only at the discretion of tournament officials. After competitors check in at the official checkpoint, they MUST present all LEGAL fish in their possession to a tournament official to be counted, measured, and weighed. Once a competitor's catch is measured, counted, and verified by a tournament official, that competitor may not return to the boat until their catch has been weighed and recorded.
- f. Bass must not be stringed at any time during the tournament.
 - i. Culling tags and/or culling beams designed to penetrate a fish's mouth are not allowed. Culling tags and/or culling beams are allowed if they are clip on and do not penetrate the fish's mouth or are placed up through the gills (fins and tails cannot be clipped or punched). Specially designed bags which increase survival rate will be furnished by the Tournament Director and must be used for the weigh-in.

16. Catch and Release:

- a. Culling of dead bass is prohibited.
- b. For each legal dead bass presented to weigh-in officials, the competitor shall be penalized 4 ounces, to be deducted from the daily score. Competitors are allowed to ice a dead fish that is part of their daily catch. The Tournament Director or his/her designees shall have sole authority for assessing penalty points. It is suggested in warm weather tournaments anglers keep extra ice for fish care. Contestants are allowed to purchase ice on the water from a retail store. However, they are not allowed to receive ice from non-contestants.
- c. Nets are allowed for retrieval of caught fish. Small dip nets for culling purposes are encouraged. It is recommended competitors keep all bass in live wells during the culling process. Placing bass on the boat carpet during culling is not advised.

- d. Only non-penetrating culling clips are allowed for use. Any clip or device that penetrates the skin or mouth of a fish is not allowed. Proper fizzing technique is suggested when needed. For instructions on acceptable fizzing practices please contact B.A.S.S. officials.

17. Late Penalty:

- a. Competitors who are not at the official check-in point, at the appointed time, shall be penalized at the rate of one pound per minute late; to be deducted from the total weight of his/her catch that day, including any weight to be counted toward a “big bass award”. Any competitor more than 15 minutes late shall lose all credit for that day’s catch to include point’s credit under rule 19. There shall be no excuse for tardiness, and in no case, shall a competitor be allowed to make up “lost time.”
- b. After proper recognition at the check-in point, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must cease upon check-in. After the tournament begins, fishing the tournament waters is prohibited except during tournament hours.
- c. Exact starting and check-in times, *see Appendix: pg.27: Tournament Schedule*, will be confirmed at the Tournament Briefing. It is each competitor’s responsibility to confirm check-in times each day on the daily pairings.

18. Ties:

- a. All ties will be resolved in the following order: (1) individual with heaviest single day catch during competition; (2) if the tie is not broken, the next tiebreaker will be the individual with the second heaviest single day catch during competition; (3) if the tie is not broken, the next tiebreaker will be the individual with the largest number of legal fish weighed during competition; (4) if the tie is not broken, the next tiebreaker will be the individual with the largest number of legal live fish weighed during competition. If the tie is not broken by applying the foregoing procedures, the tie will be determined solely by coin flip for positions 1-10 ONLY, coin flip will be performed by GBN BOD representative. Ties will remain a tie for any positions starting at 11 through the end, and monetary prizes for each competitor will be awarded in an equal amount between the tied competitors.

19. Pairing of competitors:

- a. Two competitors will be assigned to each boat, boater, and co-angler.
- b. Announcement of your first-day fishing partner will be made at the Angler Rules and Partner Draw briefing, *see Appendix: pg.27: State Classic Schedule*, which must be attended, except with permission from the Tournament Director, by each competitor. It will be the responsibility of each partner to appear at a mutually agreed upon location, with sufficient time remaining to check out at the official checkpoint and start on time. Tournament officials shall have no responsibility for finding missing partners. The Tournament Director, at his/her sole discretion, may reassign partners prior to the morning take-off. It is suggested that a minimum of 30 minutes is required for preparation to depart to the check-out point.
- c. When two competitors check out at the beginning of the day, they must stay together and within sight of each other and each other’s catch, throughout the day, until the weigh-in is completed, except in case of dire emergency or exceptions. A competitor must not allow any bass caught by

them to be counted on the score of another competitor. In such a case, both competitors will be disqualified from this tournament and from all future tournaments conducted by GBN.

20. Rule's violation and Appeals Committee.

Appeals hearings shall take place within seven (7) business days from the date of receipt of the written appeal and all parties must make themselves available at prescribed time of hearing. If competitors admit to a rule's violation, they may not file an appeal of either the finding that they have violated the rules, or the penalty imposed for the violation. Decisions of the appeals committee shall be final. Competitors are allowed to compete under appeal for penalties assessed under GBN Tournament Rules until final ruling by Appeals Committee. Appeals of non-competition rulings must be presented in writing to the Tournament Director within 48 hours from the time and date of ruling for review.
